Any excuse will do!

ScienceClass411.com

First, note the Normal Late Policy:

- **Fulton County:** Upon returning to school following an absence, it is a student's responsibility to contact the teacher to request make-up work. The contact should be made on the day the student returns to school. (Make-up work following an unexcused absence will be penalized by 10%.)
- **MHS:** Students will have the length of the absence in which to complete the work.
- **MHS Science Department:** Late Work Is Not Accepted (However: There is a Late Work Pass available on my website!) Unless otherwise noted, work is due at the beginning of the period the next school day.
- MHS Handbook: <http://bit.ly/mhsstudenthandbook>
- Fulton County Policy on Absences and Making Up Work: <http://bit.ly/fultonabsencepolicy>

With this pass, you may turn in one assignment very late for **full credit**.

- This pass **expires: May 7th, 2010** (This due date is before the end of school so that I have to grade everything before final exams begin.) **This pass will not be accepted late!**
- This pass may only be used **once per student**.
- Turn in this pass with your completed assignment. This pass cannot be used in lieu of your work.
- You must schedule an appointment to make-up tests or quizzes well in advance.
- **New!** If you are not missing ANY work, fill in the blanks below (including parent signature!), write "I Rule!" in giant print at the bottom of this page and turn in for 25 extra test points!
